

Soaring High with Pride!

La Sierra High School promotes strong ethics and respect while preparing students for personal, academic, and social success.

This vision statement is explained through our expected school-wide learning results (ESLRs):

Students will show personal, academic and social success by being able to:

- 1. Demonstrate personal responsibility through the ability to set and accomplish goals.*
- 2. Demonstrate mastery of fundamental academic skills in order to be proficient with content standards.*
- 3. Think critically, conceptualize, problem solve and conduct research.*
- 4. Communicate effectively in both verbal and written form.*
- 5. Demonstrate accountability by adhering to school policies.*
- 6. Work cooperatively and demonstrate acceptance and understanding of diversity.*
- 7. Demonstrate community involvement through service, partnerships and work experience.*
