Sisters Kylie and Jocyn are not just outstanding academically they also started a *Back To School Supply Program* at RMK in 2013. This program started as a Girl Scout patch and has evolved to a standard resource available for students that do not have the necessary school supplies at home to complete their assignments. From backpacks to hand sanitizer, materials are carefully packaged for either male or female students. Kylie and Jocyn’s project has gained great support through their mother’s Facebook page and they have been successful in recruiting donations. These sisters take community service to another level and have become truly innovative increasing the amount of resources they provide to RMK students each year.

It is a great pleasure to honor **Kylie and Jocyn Diyorio** as the Alvord Unified School District Student of the Month for May 2015.
